Dear Ms. Green:

On behalf of the Bank & Trust Company of Arlington Heights, I would like to express our appreciation to the Northwest Suburban Coin Club of Arlington Heights for the fine coin display presented in our North Point Lobby on April 21, 1984.

The time and effort of Al Dorr and Ron Larsen were very much appreciated. Their display generated much interest and many questions by our customers.

Sincerely,

John D. Haniotes
Assistant Vice President
